

Welcome to KGEC - Robotics Society

A club of profound technical opportunities and
guidance in the field of Robotics

INTRODUCTION TO SOCIETY

Welcoming curious, fresh and talented minds to the society

Respected Faculty Body

→ **Mentor**

Prof. Sourav Kumar Das (Principal)

→ **Chairman**

Prof. Satyendra Nath Mondal

→ **Secretary**

Prof. Hasanuj Jaman

→ **Treasurer**

Prof. Supriyo Banerjee

Respected Student Body

→ **Joint Secretary and Founder**

Arnab Maiti (EE - 4th Year)

→ **Ex-Asst. Joint Secretary and Co-Founder**

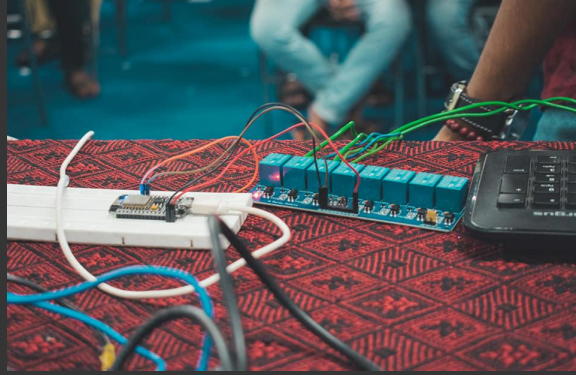

Subrata Kundu (ECE 4th Year)

→ **Ex-Convenors**

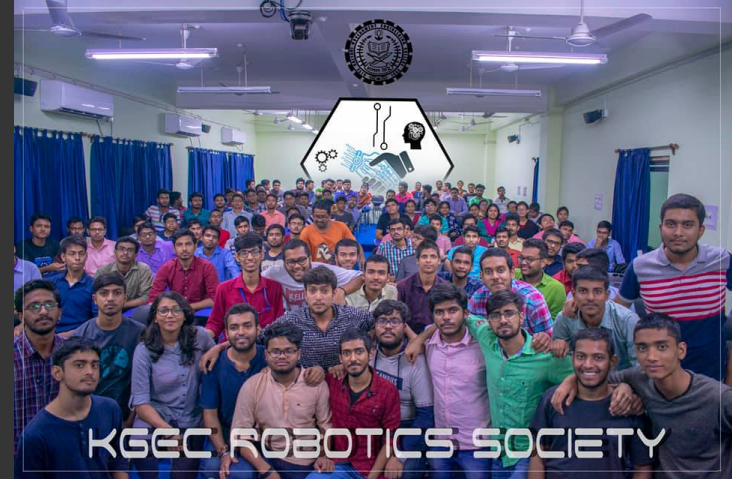

Arka Bandyopadhyay (EE 4th Year)

Subhajit Debnath (ME 4th Year)

MOTTO OF THE CLUB

Think, Build, Renovate

GOAL

The KGECC - Robotics Society is aimed at creating a healthy robotics culture inside the college premises, where students apart from their academic curriculum and chores get to learn something which is related to the live industry work culture, gain knowledge on core related domains, get hands-on experience and guidance by their seniors themselves who are actively contributing and building stuffs in the field itself. Developing a building and innovating environment through workshops and projects is what this club strives for.

VISION

The Vision is to make our college KGECC reach heights where we will be competing and winning national events, the events held in IITs, NITs, national level robotics competitions and championships, we sought to prepare a group of individuals who will be technically sound and prepared and can represent the college at Robotics Events and Competitions held at the National Level all over India. We wish to carry forward this club to its maximum efficiency and help out everyone to learn and contribute towards the club and in the _____ field of robotics as a whole.

**Any Questions or
queries till now?**

**Why you should join KGEC -
Robotics Society?**
